

1 some Members of the Convention and this is the purpose of
2 it. It would require action by either the Court of Appeals
3 or the General Assembly by law. It leaves it in the hands
4 of either.

5 I am frank to say that I prefer matters as they
6 are because I think that this is a question that should be
7 handled by the Rules Committee.

8 However, I advocate this amendment to Delegates
9 Kiefer and Willoner's amendment, and therefore I am
10 submitting it so that it can be voted up or down.

11 THE CHAIRMAN: The Chair recognizes Delegate
12 Willoner. You indicate whether you accept the substitute
13 or desire to oppose it?

14 DELEGATE WILLONER: I am in the reverse position
15 of Delegate Moser. This would be a second line position
16 and this is my second line. The only problem is that he
17 has a better shot at it than I do. It is very difficult
18 to argue against it in the sense that at least we would
19 have a provision in the Constitution requiring the General
20 Assembly or the Court of Appeals to do something about
21 this.
